

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

Develop or add to the PESPA activities that your school already offer

 Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the <u>Ofsted Schools Inspection Framework</u>, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively <u>governors</u> hold them to account for this.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:

- Achieved the Youth Sports Trust Silver School Games Award in July 2019. This award recognises the good quality provision of active and competitive sports in schools and in local competitions.
- 100% of pupils have had the opportunity to represent the school in at least one competitive Level 2 or 3 activity within the academic year 2018-19.
- 100% of pupils from Y2-6 have had the opportunity to represent the school at a Sports Partnership event.
- The school has purchased quality resources for the pupils to use in lessons and has improved the outdoor provision to allow all weather activities.
- The Sports Leadership Programme and use of Sports Leaders help to deliver sports and games activities during lunch breaks.
- A range of inter-house competitions have been completed, run and organised by the Sports Leaders.
- PE lead has been released to attend training and network meetings to share good practice.
- 100% of Y6 children were able to swim 25m.
- The celebration of PE and sporting success is embedded across school, with special assemblies to award trophies and an opportunity for the children to share their experiences.
- 100% of children engage with Forest School.

Areas for further improvement and baseline evidence of need:

- To plan more enrichment activities to enhance the PE curriculum and further develop staff knowledge
- Introduce new sports
- To plan daily opportunities to engage in physical activities outside of PE/playtimes to promote our views on mental health and wellbeing.
- Increase the range of after school clubs offered.
- To reintroduce Bikeability and road safety awareness.
- Monitoring the provision offered to ensure that we target times of the day when children are less active.
- Monitor take up of extra-curricular sports activities and use the website, assemblies to promote participation in clubs and community sports events.
- To monitor effectiveness of quality of teaching in PE.
- To develop assessment and reporting of progress and attainment in PE.
- Evidence the teaching and learning of Forest Schools to demonstrate cross curricular learning opportunities.
