

# Coming back to school

There are new signs outside school and lines on the path to remind everyone to line up 2m apart so that I stay safe and healthy.

I will go into school using the door next to my classroom. At the door, I need to say goodbye to the adult that has come with me. They will not be allowed to come into school with me because school isn't big enough for all the adults to stay 2m apart.

The first thing I need to do is use the hand sanitiser to make sure that I have clean hands before I touch anything in school. Then I can find my peg to hang up my coat and bag. I won't be bringing my indoor shoes to school at the moment.

The classroom has lots of space to play. There will be activities for me in the different areas of my classroom, Miss Wray will put out the resources we can use in each area each day.

If I am working at a table, I will be sat with a friend.

I will be given my own pack of resources which will include my pencils, ruler and rubber.

When we are sitting together in class 1, I will have my own space to sit in both on the carpet and at a table. I will be able to talk and play together with my friends and the adults in class 1.

Each day I will move and be active and I will also have quiet times where I will be still and calm.

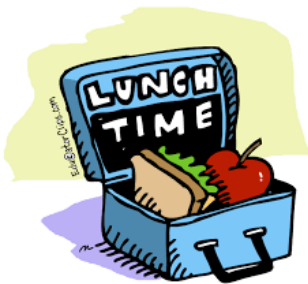

Any reading books that I have finished or work that I want Miss Wray to look at need to go in the 'Drop off box' that will be at the front of the classroom.

I will use the toilet in our cloakroom.

I will have break times with all the friends in my class. We have our own bag of playtime equipment that we can use.

I will have lunch time, just like before, but it will be just my class who will be having either a packed lunch or school dinner in the classroom.

My first theme is 'All about me' and I will be learning a lot of new things in class 1. I will spend time getting to know the adults and other children in class 1 so that we can work together and have lots of fun!

See you next week.

Miss Wray
