

Coming back to school

There are new signs outside school and lines on the path to remind everyone to line up 2m apart so that I stay safe and healthy.

I will go into school using the door at the side of the classroom. At the door, I need to say goodbye to the adult that has come with me. They will not be allowed to come into school with me because school isn't big enough for all the adults to stay 2m apart.

The first thing I need to do is use the hand sanitiser to make sure that I have clean hands before I touch anything in school. Then I can put my coat and bags into my locker. I won't be bringing my indoor shoes to school at the moment.

The classroom looks a little bit different. I will be sat on a table with a friend. All the tables will be facing forward. I will be given my own pack of resources which will include my pen, pencils, ruler and rubber.

Any reading books that I have finished or work that I want Mrs Lewis or Miss Rogers to look at need to go in the 'Drop off box' that will be at the front of the classroom.

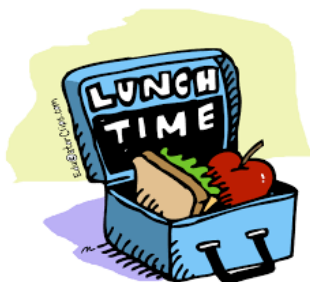

I will use the toilet next to our cloakroom on the left which was the boy's toilets.

I can look at the visual timetable on the wall to see what we will be doing today, just like before.

I will have break times with all the friends in my class.

I will have lunch time, just like before, but it will be just my class who will be having either a packed lunch or school dinner in the classroom.

Hi Everyone,

Hope you are all ready to come back to school on Tuesday. For some of you it has only been 7 weeks since you were last at school, for others it has been a lot longer. For me, it has been almost 9 months! But I am sure as soon as we all get back, it will almost be like we were never away and these new things we have to do will soon just become normal.

I will see you all on Wednesday morning at the side door of our classroom. Look after Mrs Lewis for me on Tuesday.

Miss Rogers

Looking forward to welcoming you all back on Tuesday. I can't wait to hear all about your holiday adventures and see how much you have changed and grown! Enjoy the last few days of holiday 😊

Mrs Lewis
