

## Religious Education at the Federation of Grewelthorpe and Fountains CE Primary Schools

“Religious education in a Church school should enable every child to flourish and to live life in all its fullness. (John 10:10). It will help educate for dignity and respect encouraging all to live well together.” \*

At our Federation, pupils and their families can expect a high-quality religious education (RE) curriculum that is rich and varied, enabling learners to acquire a thorough knowledge and understanding of a range of faiths and world views. We teach according to the North Yorkshire Agreed Syllabus.

As a church school, the teaching of Christianity is at the heart of our RE curriculum. Through the Understanding Christianity resource, the use of an enquiry approach engages with significant theological concepts and the pupil’s own understanding of the world as part of their wider religious literacy. This links strongly with our school vision, supporting pupil’s spiritual, moral, social and cultural (SMSC) development. We provide a wide range of opportunities for learners to understand and to make links between the beliefs, practices, and value systems of the range of faiths and world views studied.

### Our Intent

- To know about and understand Christianity as a diverse global living faith through the exploration of core beliefs using an approach that critically engages with biblical text.
- To gain knowledge and understanding of a range of religions and worldviews appreciating diversity, continuity and change within the religions and worldviews being studied.
- To engage with challenging questions of meaning and purpose raised by human existence and experience.
- To recognise the concept of religion and its continuing influence on Britain’s cultural heritage and in the lives of individuals and societies in different times, cultures and places.
- To explore their own religious, spiritual and philosophical ways of living, believing and thinking.

### Our Implementation

RE is an academic subject that has a high profile in our school curriculum. It is a priority for senior leaders, who ensure that the teaching, learning and resourcing of RE is comparable with other curriculum subjects.

This means that the RE curriculum:

- Is intrinsic to the outworking of our distinctive Christian vision in enabling all pupils to flourish. In addition, it contributes to British values and to pupils’ spiritual, moral, social and cultural development.

- Is delivered in an objective, critical and pluralistic manner to engage and challenge all pupils through an exploration of core concepts and questions. Lessons provide meaningful and informed dialogue with a range of religions and worldviews.
- Reflects a good balance between the disciplines of theology, philosophy and human science, to enable pupils to develop their religious literacy\* \*Religious Literacy: Helping children and young people hold balanced and well informed conversations about religion and belief. (Key Principles of a balanced curriculum in RE.)
- Enables pupils to acquire a rich, deep knowledge and understanding of Christian belief and practice, including the ways in which it is unique and diverse, whilst engaging with biblical texts and theological ideas.
- Provides opportunities for pupils to understand the role of foundational texts, beliefs, rituals, and practices and how they help to form identity in a range of religions and worldviews.
- Supports the development of other curriculum areas and other general educational abilities such as literacy, empathy and the ability to express thoughts, feelings and personal beliefs.
- Encompasses the full range of abilities to ensure that all flourish academically, using a wide range of teaching and learning strategies which consider the task, outcome, resource, support and pupil grouping as appropriate to pupils' needs
- Offers tasks that are age appropriate, challenging and sufficiently demanding to stimulate and engage all pupils, whilst extending the most able and providing support for those who need it.
- Ensures that all pupils' contributions are valued in RE as they draw on their own experiences and beliefs

### **Legal Requirements**

Religious Education must be provided for all registered pupils in full time education except those withdrawn at their parents' request (or their own request if aged 18 or over).

(DfE Circular 1 / 94, paragraphs 44 & 49, and Non-Statutory Guidance 2010 page 28) The law relating to Religious Education for pupils who are not yet in key stage 1 is different from that relating to subjects of the National Curriculum. As Religious Education must be taught to 'all registered pupils at the school', it includes pupils in reception classes, but not those in nursery classes or play groups.

We note the Human Right of parents to withdraw their children from RE. The school will comply with any request from a parent to withdraw their child and parents are not required to give their reasons for wanting to do so. However, in view of the importance placed on RE as a core subject in a church school, we would hope that all children admitted will participate fully in RE. We aim to provide an open curriculum which can be taught to all pupils, by all staff.

Teachers are asked to refer to the head teacher any questions from parents about withdrawals. We ask that and that anyone wishing to withdraw their child would discuss this with the Headteacher before making this decision.

Requests for full or partial withdrawal from RE should be made in writing to the head teacher and a record kept of them.
