

January 2020

Dear Parent/Carer,

As I am sure you are aware, there have been some requests from parents to look into the possibility of running an after-school childcare solution.

From the feedback school have had, there is very little interest, and this will not go ahead. We therefore write one final time, on behalf of school, to ensure that this is the correct decision for all of the children and parents of Fountains.

If we receive enough interest from this final letter, school have offered to run the club on a probationary basis and reassess from there. This is likely to be in collaboration with Playgroup, who already offer some after-school care hours.

Using the model from Grewelthope School, the club would run 3.30pm – 5.00pm, be open to all children aged 3-11 at a cost of £4.50 per session, per child. Each session would have a theme that would be communicated in advance, so children who may not necessarily require childcare, but would like to join the session as a club, could also attend.

In order for the trial period to go ahead, we need a response. Please complete the grid below and return to school by **Friday 7th February**.

Please note, you are not booking your child onto these sessions, we are simply trying to find the most popular evenings in order to run the trial. Further details will be sent if the trial is to go ahead.

Many thanks,

Friends of Fountains School
