19th September 2019

Dear Parents/Carers,

Following our Friend's AGM Meeting last week, I can confirm the following committee structure:

Chair: Jo Martin
Secretary: Katie Harrison
Treasurer: Jess Jarman

You are all members of the Friends of Fountains School and we very much want you to feel part of our school community. We understand that it is not always easy to attend meetings but we do welcome any support you can offer and would love to hear your ideas. You can contact any of the named parents above or please feel free to contact me and I can bring your suggestions to the meetings.

Many of our fundraising events do rely on volunteers. We are hoping that by having key events planned throughout the year there will be different events you can support and get involved with.

Our biggest fundraiser is the 10K. Over the years, the school has benefitted greatly from the money raised. We are very passionate about keeping this tradition going despite being unsuccessful in replacing Mark as Race Organiser. We now have two options available to us:

1. We could pay a company to manage the Race day for a fee.
2. We could invite Grewelthorpe School to join us and run the event together across the Federation.

To help me make a decision, I need your help. If we were to go for Option 1 then we would need to secure a list of volunteers who could agree to support us on the day. If you are willing to be a volunteer could you please let the office know either by replying to this email or popping into the office to add yourself to the list. It is such a great community event which is regarded highly by the runners who attend. A sporting event such as this is so important and can be inspiring for our children.

A suggested date for the race would be Sunday 17th May 2020. Thank you in advance for your help.

Yours faithfully,

Mrs Pam Acheson
Headteacher
