

Mr Paul Baker

I currently work as a Graphic Designer within the busy marketing department of a Family Law firm in Harrogate. I currently work this role full days Monday to Thursday and look after my youngest daughter Edith on Fridays.

As a father of three young children with limited free time I do have to select the most valuable causes in order to give them the attention they deserve.

With regard to charity work, I am a Local Media Volunteer for The Woodland Trust and also play an active role helping out with local community organisations such as Grewelthorpe Sports and Social Association (GSSA) and the Friends of Grewelthorpe School (FROGS).

I am regularly called upon to offer design and artwork support for printed and digital materials for local charitable and community events.

I hope in 2020 to be joining the Grewelthorpe Village Hall Committee.
