Dear Parents and Carers,

Following a review of our social distancing measures at drop off and pick up times, I would like to inform you of some changes which will start from Monday 21st September.

We would like to set up a **one-way system** for getting onto the school grounds. From Monday, can you please enter the school grounds from the gate at the front of school. When you leave, can we ask that you walk up the bank to the gate at the side of the carpark.

Due to some congestion at the Class 2 and Class 3 collection points we have now agreed the following:

Class 1 will be dropped off and picked up from their **normal door at 8:40am and 3:20pm**. There will be socially distanced markers running alongside the staffroom wall.

Class 2 will be dropped off and picked up from their **normal door at 8:50am and 3:30pm**. There will be socially distanced markers running down the path and then a one-way system where you can walk on the field back to the playground.

Class 3 will be dropped off and picked up from the **front entrance at 8:40am and 3:20pm**. There will be socially distanced markers running alongside Class 4 windows.

Class 4 will be dropped off and picked up from their **normal door at 8:50am and 3:30pm**. There will be socially distanced markers on the playground.

**** Parents who have siblings in different classes should drop off and pick up at the earlier time please.**

We hope that these changes will improve social distancing on the site. Thank you for your support and co-operation in helping to keep everyone safe.

Kind regards,

Pam Acheson
