

Fairy Cakes

110g (4oz) Self-Raising Flour

110g (4oz) Butter, softened

110g (4oz) Caster Sugar

2 Eggs, lightly beaten

- Pre-heat oven to 190°C; 375°F: Gas 5.
- Cream the butter and sugar until soft and light.
- Add eggs a little at a time.
- Sift the flour and gently fold into the mixture.
- Place 18 paper baking cases into bun trays.
- Spoon in the mixture, filling about two-thirds of the cases.
- Bake for 20-25 minutes, or until well risen and golden brown.
- Place on a wire rack to cool.
