We are keen to appoint a GTA to enhance our support for pupils at Fountains C of E Primary School. The successful candidate would work as part of our team at Fountains. We are proud to be a Church of England school and our Christian ethos underpins the life and work of our school. We believe that each of us are unique individuals capable of spiritual, moral, Intellectual and physical development. We want our children to develop positive learning attitudes built on self- belief, where effort, resilience and perseverance to learn and improve are rewarded. We want our children to have a desire to succeed and not afraid to make mistakes. We want our children to celebrate diversity and recognise each other as unique individuals; all different; all equal; striving to be the best that they can be.

We are committed to improving the educational experience for our learners and are looking for a colleague who can adapt readily to change, has experience of working with KS2, is self-motivated and can form strong relationships with staff, pupils and parents.

In return we can offer you:

- A strong commitment to your professional development;
- A positive, supportive and friendly work environment;
- The opportunity to make a real and meaningful difference to the lives of children and young people

We welcome calls from interested candidates to discuss all that the role has to offer; please contact Joanne Mallinson at office@gfschools.co.uk to make an appointment to speak to the Headteacher.
