We need your help!

The children of Fountains School are lucky to have a charity run by parents to raise funds for them.

The charity is **Friends of Fountains School**

The 'friends' meet to organise social and fundraising events that benefit all our children.

We need parents to join us so that we can continue this really important work.

Please email carolinetopham@outlook.com or get in touch with school if you can help.

Many thanks

Caroline Topham, Chair
