

SPORTING INFLUENCE

Improving Social Skills Through Sport

PE With Mr Whitford

This term Mr. Whitford has worked with each class across a range of sports and activities.

Class 1 have had great fun in all of their lessons.

- Reception children developed a range of fundamental movement skills through different themed lessons. They loved visiting the farm, exploring space and helping pirates sail the seven seas!
- Year 1 children have developed skills such as throwing and catching and ways to beat an opponent when attacking, as well as an understanding of how to work effectively as a team.

Class 2 children have focused really well in all of their lessons.

- Invasion Games - developed their throwing and catching and recognised ways to beat an opponent when attacking, as well as an understanding of how to work effectively as a team.
- Gymnastics - focus was placed on exploring different balances, jumps, travels, rolls and shapes. They enjoyed using these when creating routines!

Class 3 children have shown great determination this term.

- Gymnastics – children created some fantastic routines where they really controlled their movements. They have developed their partner balances, rolls, jumps, and used the apparatus to perform them on.
- Netball – children focused on their control when passing and receiving, shooting, and developed their evasion skills when dodging. They really enjoyed using these skills in mini-games!

Class 4 have worked extremely hard throughout their lessons.

- Gymnastics – the class focused on performing different rolls, partner/group balances and vaulting. They used these skills to create and perform some fantastic routines. Well done!
- Hockey – children have developed their control when passing and receiving the ball on the move, dribbling, shooting and tackling. They had fun applying these skills to small-sided games each week.

Class 4 Hockey
